## NOTICE TO PUBLIC

Persons who wish to address the General Plan Advisory Committee (GPAC) are asked to complete a Speaker's Card and give it to the Secretary before addressing the GPAC. Those who wish to address the GPAC on an Agenda item will be heard when the presiding officer calls for comments from the audience. GPAC-related items not on the Agenda will be heard under the Public Input Section of the agenda. Following recognition persons desiring to speak are requested to advance to the podium and state their name and address. After hearing audience comments, the public portion of the meeting will be closed, and the matter brought to the GPAC for discussion.

Requests to make presentations to the GPAC should be submitted to the Planning Division's Office at least three days before the GPAC meeting. It is customary for City staff members to review such matters before the formal presentation so that the GPAC may have the benefit of all available data. PowerPoint presentations must be presented to the Planning Department by Noon on the day of the GPAC meeting.
